out of direct
sunlight

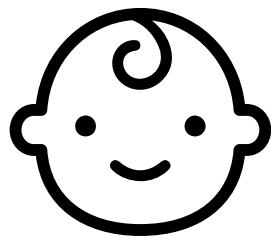

Place popped
balloons in the bin
to avoid choking
hazard

Keep away
from Pets

Use Balloon
weights

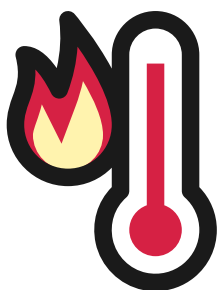

Balloons are not
toys DO NOT
inhale helium

Keep away from
sharp objects,
corners edges

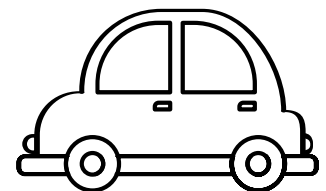

Whatever you do,
don't let them spend
the night in your
garage or car!

Too hot & they will pop
Room Temp is perfect

Avoid releasing balloons,
they return as litter, harm
wildlife, and pollute our
planet.

Keep your car cozy on the go!
Ensure your boot is clean and
let the back seats lie flat like a
yoga mat!
